

MASTER CONTROL OPERATOR Part-Time/Fill-In Position

WMDT is seeking the right person to join our Master Control team. Candidate must have experience with computers and be able to work independently. Once trained, the successful candidate will work weekend overnight shifts, plus filling in other shifts, as needed.

Responsibilities:

- Monitor broadcast equipment to ensure trouble-free signals.
- Monitor programs and commercials that are being broadcast.
- Download and prepare shows and commercials for broadcast.
- Monitor timing of live news programs and communicate with technical staff.

Experience with computers required. Weekend overnight hours will be required. Must be flexible with schedule.

Send resume to: Shawn_Tedder@wmdt.com or submit an application for employment found on wmdt.com/jobs page. No phone calls please.

Hourly wage range: \$15-\$16 per hour, up to 30 hrs./week. Guaranteed 16 hrs. a week.

Benefits:

- Paid Vacation after six months.
- Accrued Sick Time up to 5 days per year.
- Overtime on Holidays
- 401K Plan
- Maryland Saves Plan
- Military Leave
- Jury Duty Leave
- Free YMCA Membership
